What Our Clients Say About Us

What can I say except the biggest thank you to Dan, Jamie, Louise and the entire team who worked so hard to make our reception absolutely amazing.

Everyone was so helpful and nothing was too much trouble, it really is a pleasure coming to the City Hall!

Thank you also to the Chef and his team as the canapes were delicious, we loved them!

Hopefully I will be in touch again soon with some new dates for our next event.

Many thanks again.

Jan R – University of Sheffield

Just wanted to message and thank you all so much for the event. It went brilliantly. The manager Kerrie was a total legend and nothing was any trouble.

The bar staff and kitchen staff were amazing, the security team outstanding.

The directors wished me to thank you all for maintaining everyone's safety so well whilst also allowing all to have such a great time.
